

Thank you for choosing the Comprehensive Breast Center of Arizona and Drs. Brenda Moorthy and Kimberli S. Cox to assist you with your health care. So that your visit with us runs as smoothly as possible, we ask that you provide the following **at least 7 days prior to your appointment:**

- 1) Referral from your primary care physician with office notes/reason for referral;
- 2) Copies of all mammogram, ultrasound, MRI reports;
- 3) Copies of any breast pathology reports (from biopsies, surgery on your breasts)

**Your appointment may be rescheduled if the above information is not received 1 week prior to your appointment.** Therefore, it is important that you check with your physician to verify that the above has been sent to us.

We have enclosed a copy of our financial policy and patient information forms. Please review the policy and complete the forms. For your convenience, these are also available on our website: [http://www.azbreastcenter.com/Education\\_Forms.html](http://www.azbreastcenter.com/Education_Forms.html)

On the day of your appointment please arrive at least 15 minutes prior to your appointment and bring the following:

- 1) insurance card(s)
- 2) any required co-payment
- 3) list of your current medications (including dosages)
- 4) **Mammograms, ultrasound and/or MRI** – please bring the **actual films or CD**, not just the reports. **You must hand-carry the films yourself; we do not accept courier delivery of films.** We cannot fully evaluate you without seeing the radiographic images and **your appointment may be rescheduled without them.**

**If you have not completed the attached patient information form prior to your visit, please arrive for your appointment 30 minutes early to give yourself time to do so.** The information we request is done so that we may best take care of you and to assist us in risk assessment for breast related conditions. Please answer all questions to the best of your ability.

Should you be unable to keep your appointment, please be considerate of other patients and call us at (602) 374-3440 to reschedule so that we may schedule someone else into your time slot.

Thank you for your assistance in making your appointment with us the most efficient and beneficial to you.
